Casey,

FYI there are still some outstanding charges on this site in contractor cost presently.

Doug

Thanks Doug,

Long email chain so the question is:

Last POLREP was 1 year old and I just approved a bill, I am ready to recover the the RP ArcelorMittal, but want to see when the cleanup complete and final costs are.

Looks like ArcelorMittal is the responsible party, but just need a final POLREP and estimate on final costs.

Thanks,

Casey,

Mike is no longer with the EPA I will have to reach out to the Region to see who is the new OSC.

Good Morning all,

I got an undeliverable message from Mike Beslow, would anyone be able to tell me who the OSC for this case is?

Last POLREP was 1 year old and I just approved a bill, I am ready to recover the the RP ArcelorMittal, but want to see when the cleanup complete and final costs are.

Thanks!
